CAREER OBJECTIVE

An enthusiastic and driven engineering student seeking a role in the software industry where I can apply my technical expertise, problem-solving skills, and analytical mindset to develop innovative and efficient solutions. Passionate about leveraging technology to solve real-world problems and committed to continuous learning and professional growth.

EDUCATION

2022-2026

Sri Venkateswara College of Engineering, Tirupati

B. Tech in Computer Science and Engineering (AI & ML)

CGPA: 9.5

2020-2022

Viswasai Junior College (Intermediate), Tirupati

Coursework: Mathematics, Physics and Chemistry.

Percentage:94.9

EXPERIENCE

Data Analyst Internship

Elevate Labs

04/2025 – 05/2025 | Online

- Fulfilled data analysis tasks and developed insights using Python and relevant tools
- Worked effectively in an online environment with a focus on collaboration and communication

AI-Data Analyst Internship

Rooman Technologies

05/2025 – 07/2025 | Bangalore

- Conducted data analysis, focusing on AI applications within data sets
- Applied machine learning techniques to extract predictions and insights

TECHNICAL SKILLS

. **Programming Languages:** Python, Java

. **Libraries & Tools:** NumPy, Pandas, Matplotlib, Scikit-learn, Seaborn, Power BI

. **Other Learning:** Data Structures using Java, MySQL

PROJECTS

Business Analytics Dashboards (Customer Lifetime Value & HR Analytics)

-Developed interactive Power BI dashboards to analyse customer lifetime value and employee attrition trends.

-Enabled data-driven decision-making by uncovering key business patterns, supporting marketing and HR strategies

Binary classification of whether the people of Titanic survived or not

- Conducted extensive data cleaning from raw Titanic dataset to predict survival
- Employed data analysis with Python utilizing Scikit-learn and Pandas libraries
- Focused on feature selection to enhance prediction accuracy

Soft skills

. Leadership, Decision making, Communication Skills, Time Management.

CERTIFICATES

. Machine Learning - Stanford University & DeepLearning.AI (Coursera)

. Data Science - IBM Data Science (Infosys Springboard - Coursera)

LANGUAGES

. English, Marathi, Telugu, Hindi
